1. Definition

This report displays detailed and summary information on permanency plans and permanency plan reviews and hearings created for all children that are currently in placement.

2. Report Population

Find all cases that have children with an approved open out-of-home placement (episode.cd_epsd_type = 1) as of the report date, excluding those placements that are kinship care, youth correctional facility, adult corrections, adoptions, subsidized guardianship, post TPR case, ICPC, Adoption, or made in error.

2.1 Report Data: Number of children in Out-of-Home Care

For all cases with an open out-of-home placement as of the report date, count the number of children in care based on the following OHC time intervals:

- 0 60 days
- 2 6 months (for perm plan review/hearing summary the calculation will be from 0 6 months)
- 7 12 months
- 13 24 months
- 25 36 months
- 37 48 months
- Over 49 months

2.2 Report Data: Children with Ongoing Permanency Plans

For children currently in out-of-home care, find all permanency plans created for the case after the child's latest removal from home date (min prmncy_plan.dt_bgn >= max episode.dt_rmvl). Count the number permanency plans, based on permanency goal, completed per each OHC time interval.
